

CME Certificate

This is to certify that

Ksenia Grigoreva

participated in the

3rd Congress of the European Academy of Neurology

held in

Amsterdam, Netherlands, June 24 - 27, 2017

Paul A.J.M. Boon
Chairperson Programme Committee

The 3rd Congress of the European Academy of Neurology (Event Code 14925) is accredited by the European Accreditation Council for Continuing Medical Education (EACCME) to provide the following CME activity for medical specialists.

The Congress of the European Academy of Neurology (Saturday, Sunday, Monday, Tuesday) is designated for a maximum of 24 hours of European external CME credits. These points are accepted by several national societies, and thus may be claimed in these countries.

Each medical specialist should claim only those credits that he/she actually spent in the educational activity.

The EACCME is an institution of the European Union of Medical Specialists (UEMS), www.uems.net. Through an agreement between the European Union of Medical Specialists and the American Medical Association, physicians may convert EACCME credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME credit to AMA credit can be found at www.ama-assn.org/go/internationalcme. Live educational activities, occurring outside of Canada, recognized by the UEMS-EACCME for ECMEC credits are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada.
